

# How to see detailed user's vimiRoadmap points history?

Step 1: Head over to **All Features** Tab at the top of the website □ Under **Company** list, click on **People**.

Step 2: Click **View** to the person you want to view their history.

Step 3: Scroll down to **Self Development**  Under **vimiRoadmap Points**, click **3 Dot Point** and click **View All vimiRoadmap Points**.

The screenshot shows the 'Self Development' dashboard. It is divided into three main sections: 'vimiRoadmap', 'vimiRoadmap Points', and 'vimiKnowledge'.  
- **vimiRoadmap**: Shows 'You have achieved 350 points so far' and 'No vimiRoadmap Achieved Yet'. It also displays 'Current In-Progress Learner' with a progress bar at 100.00% and a description 'Rank: Learner'.  
- **vimiRoadmap Points**: Shows a 'Current Balance' of 350.00 and a 'History' table.  
- **vimiKnowledge**: Shows 'View All vimiKnowledges' and 'There is no vim...'.  
A callout box with a black border highlights the 'View All vimiRoadmap Points' button in the vimiRoadmap Points section. An arrow points from a 'Step 3' label to this button.
