# How to upload video in vimigo?
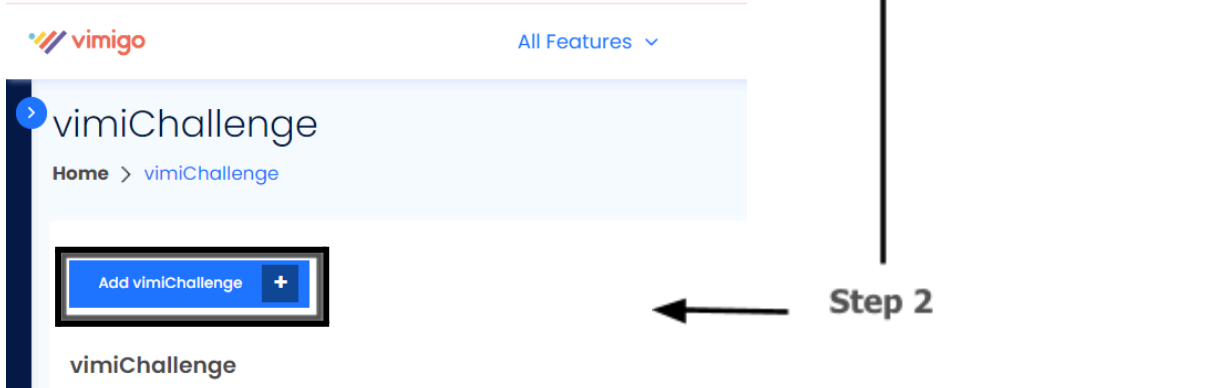

Step 1: Head over to **All Features** Tab at the top of the website ⬜ Under **Future** list, click on **vimiKnowledge/vimiChallenge.** (Both are same method)

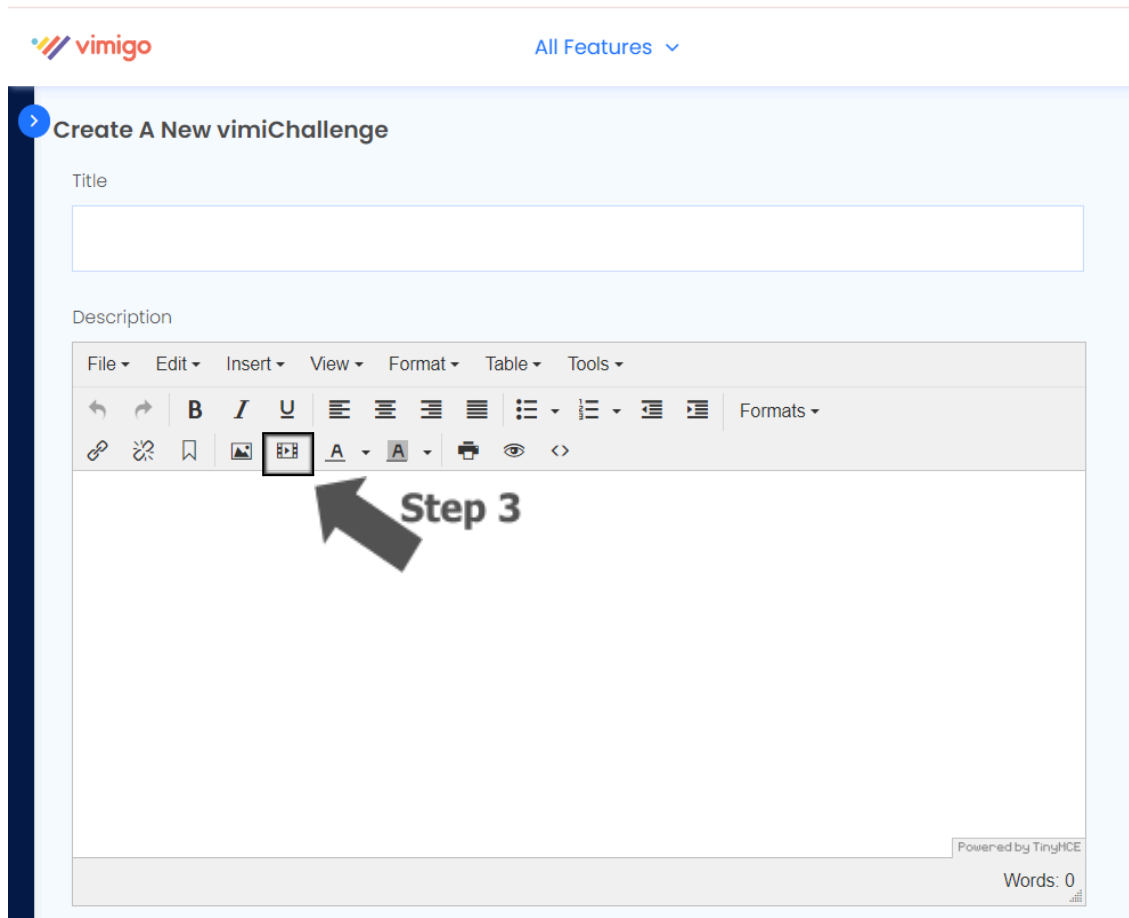

Step 2: Either <u>vimiKnowledge</u>: Click on **Add New Post.**

or <u>vimiChallenge</u>: Click on **Add vimiChallenge.**

Step 3: Click on the **media icon** 🎞️ to insert media.

Step 4: Copy and paste the YouTube link that you want to add into the source column. Next, click **OK.**

Step 5: Video added **successfully.**
